

Oceanpower

Economic 2+1 mixed

Simple and Powerful Soft Serve Freezer

Model: OP125C / OP125CT

Low Mix Sensor

Safety Protection

Standby Mode

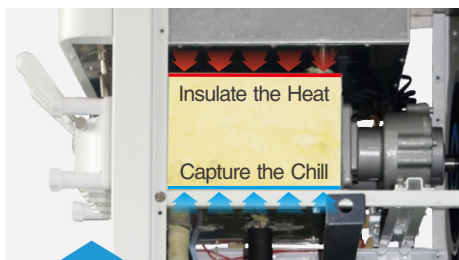

ADVANTAGES & BENEFITS

ECONOMIC SOFT SERVE OP125C & OP125CT

Reliable compressors

Reliable cubigel compressors; Green cooling, Reduce energy consumption; Quick freezing, High efficiency; Quiet operation, Stable operation.

Foaming integrated

Insulated the heat and trapped the chill, improve efficiency Full & thicker foaming evaporator to ensure perfect refrigeration efficiency.

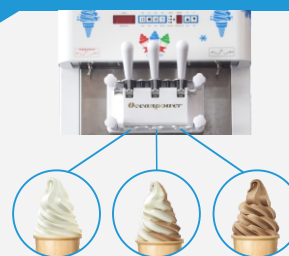

Stainless Steel Hopper

Food-grade stainless steel hopper; Rounded edge design; easier to clean; Low Mix indicator (Light turns "ON" at low mix to alert operator to add mix).

2+1 mixed Flavors

To be changable; One flavor on the left; one mixed flavor in the middle; while the other on the right. To satisfy clients' diverse tastes.

TECHNICAL DATA

Model	OP125C	OP125CT
Flavors	2+1mixed	2+1mixed
Capacity	25L/H	25L/H
Mix Hopper	2*6.5L	2*6.5L
Cylinder	2*1.5L	2*1.5L
Power	2000W	2000W
Main Compressor	1HP	1HP
Cooling System	Air Cooled	Air Cooled
Refrigerant	R404A	R404A
Voltage	220V 50/60Hz	220V 50/60HZ
Motor	1100W	1100W
Options	Electronic Air Pump	Electronic Air Pump
Net / Total Weight(kg)	132 / 171	120 / 158
Dimension(mm)	484 *582*1320	484 *716*800
